Showcasing the Best Cabinetry Brands for Indoor and Outdoor Living

Call Us

At 9 on Main, we know exceptional cabinetry starts with exceptional brands. As a trusted partner for homeowners looking to elevate their interiors and exteriors, we carefully select cabinetry brands that combine style, durability, and innovation. Whether you're reimagining a modern kitchen or upgrading your outdoor living space, our brands offer solutions that cater to diverse tastes and functional needs. Below, we explore the leading indoor and outdoor cabinetry brands we love and work with, ensuring every project exceeds your expectations.

Indoor Cabinetry Brands

- **Fieldstone Cabinets: Where Craftsmanship Meets Innovation**

Fieldstone Cabinets are the cornerstone of our indoor cabinetry offerings, celebrated for their premium craftsmanship and innovative features. Their semi-custom cabinets allow you to tailor every aspect, from wood species and finishes to organizational features that maximize space efficiency. With Fieldstone, you're not just choosing cabinets—you're investing in a lasting statement of elegance and quality.

At 9 on Main, we guide you through the Fieldstone selection process, helping you create a kitchen or bathroom that feels uniquely yours. Their versatility ensures every design fits seamlessly with your home's aesthetic, whether modern or traditional.

- **UltraCraft Cabinets: Sleek and Functional Modernity**

UltraCraft Cabinets bring contemporary flair to any project with their frameless, European-style designs. Ideal for modern kitchens and minimalist spaces, UltraCraft combines sleek aesthetics with high functionality. Their cabinets offer more storage space than traditional options, making them a smart choice for homes that value both form and function.

At 9 on Main, we appreciate how UltraCraft's precision engineering aligns with modern living. With a vast selection of finishes and colors, UltraCraft lets you customize your cabinets to match your unique style while enjoying superior durability.

- **Mid Continent Cabinetry: Quality and Value Combined**

For homeowners seeking a balance of quality, style, and affordability, Mid Continent Cabinetry delivers. These cabinets offer semi-custom designs that suit a wide range of budgets, making them an accessible option for both small and large-scale projects. With versatile door styles, finishes, and organizational features, Mid Continent cabinets cater to practical needs while maintaining aesthetic appeal.

At 9 on Main, we work closely with clients to ensure Mid Continent cabinets are integrated seamlessly into their spaces. Whether you're renovating your kitchen, bathroom, or another area, these cabinets provide exceptional value and lasting beauty.

Outdoor Cabinetry Brands

- **Danver Outdoor Cabinets: Premium Outdoor Living**

Outdoor spaces deserve the same attention to detail as your indoor rooms, which is why we proudly feature Danver Outdoor Cabinets. Known for their stainless steel craftsmanship, Danver cabinets are designed to withstand harsh weather conditions without compromising style. With endless customization options in colors, finishes, and door styles, Danver cabinets are perfect for creating an outdoor kitchen that's both functional and luxurious.

At 9 on Main, we love how Danver's sleek and durable designs seamlessly blend with outdoor aesthetics while delivering unmatched resilience. Whether you're entertaining guests or preparing meals for your family, Danver Outdoor Cabinets bring unparalleled sophistication to your outdoor living area.

- **Trex Outdoor Kitchens: Sustainable and Stylish**

Trex Outdoor Kitchens are redefining outdoor cabinetry with a focus on sustainability and style. Made from durable, eco-friendly materials, these cabinets resist fading, stains,

and weather damage while maintaining a modern aesthetic. Trex's variety of modular configurations allows you to customize your outdoor kitchen to meet your exact needs.

At 9 on Main, we value Trex's innovative designs and their commitment to sustainability. These cabinets are perfect for homeowners who want an outdoor kitchen that is both functional and environmentally conscious.

- **Brown Jordan Outdoor Kitchens: Elegant Outdoor Solutions**

For those who prioritize luxury and design, Brown Jordan Outdoor Kitchens delivers outdoor cabinetry with exceptional craftsmanship. Built with stainless steel and designed to endure all weather conditions, these cabinets are available in a variety of finishes and styles to match your outdoor aesthetic.

At 9 on Main, we appreciate Brown Jordan's commitment to high-quality materials and timeless design, ensuring your outdoor kitchen is both durable and stunning.

- **American Outdoor Cabinets: Versatile and Durable**

American Outdoor Cabinets offers a wide range of customizable outdoor cabinetry solutions tailored to your specific needs. Built with durable materials that withstand outdoor elements, these cabinets provide practical storage and design options for any outdoor space.

At 9 on Main, we work with American Outdoor Cabinets to deliver solutions that blend functionality and style, ensuring your outdoor living area is as efficient as it is beautiful.

Conclusions

Atlanta cabinets bring a timeless blend of Southern charm and modern functionality, seamlessly fitting into kitchens, bathrooms, and more with versatile design options that prioritize both style and usability. At 9 on Main, we ensure every cabinet aligns with your vision, offering finishes ranging from classic hardwood to sleek high-gloss styles.
